

HOWLETCHE LANE PRIMARY SCHOOL

OCTOBER 2020

Dear Parents and Carers

Welcome Back to the new half term. I hope you enjoyed a good break last week.

With the pandemic still very much with us and the new lockdown procedures being put in place from Thursday, I would **strongly advise** wearing a mask when dropping off and picking up your children at school. With the large number of adults gathering at the gates, it is often impossible to carry out social distancing and therefore mask wearing will help you to be protected and will protect others.

Winter Weather

With the colder weather approaching, you may now prefer to send your child to school in boots or strong shoes. If this is the case, please send their training shoes/PE shoes in a named bag, Thank you.

Facebook Page

Our Howletch Lane Primary School Facebook page is due to go live this week. This will be used to improve communication from the school to parents.

However, if you have any queries or need to speak to a member of staff, please continue to contact the school office by phone or email as follows;
